Managing director: Christian Specht

1. Processing frame

Which data do we collect?

Within the scope of our online training offer, we collect personal data of the training participants and the contact person of the client. The processing includes at least the following types of data: Name data, e-mail address, company, telephone number, booked training module, learning progress, test result.

Why will this data be collected?

The collection of the the data mentioned above is necessary for the provision of the requested service (provision of the online training) to the individual participant. Not providing the name data and e-mail address as well as the company will result in the fact that we will not be able to provide the service for you. In line with the principle of data minimisation, we only collect data that is absolutely necessary for the provision of the services.

What is the legal basis for the collection?

Data will be collected on the basis of Article 6 lit.b EU-DSGVO.

2. Transfer and foreign reference

To whom will data be passed on?

A transfer of data takes place within the framework of the provision of the agreed service to B+R Bildung und Reisen GmbH, Alter Teichweg 17, 22081 Hamburg. Data will not be forwarded abroad or to international organisations.

3. Storage period and data subject rights

For how long will data be stored?

Data will be stored for 12 months after completion of the test associated with the respective training. In this way, we can issue you with replacement certificates/training certificates as duplicates if the original is lost.

What rights do you have?

You have the right to information, correction, deletion, transfer and restriction of the processing of your personal data at any time. You have the right to object to the processing. To do so, please contact us directly via the contact details of the data controller given above.

You have the right to lodge a complaint with the competent supervisory authority, the State Commissioner for Data Protection and Freedom of Information in Baden-Württemberg, which can be found on the Internet at <https://www.baden-wuerttemberg.datenschutz.de>.

I / we have received and understood the privacy policy. I have the consents of all data subjects listed above to provide the above data to you.
